PARKING & TRANSPORTATION NEWS

GET YOUR FREE BUS PASS

PATS has successfully negotiated the continuation of the free bus pass program for the next year for all students, staff and faculty, including UNM and HSC/UNMH.

PATS' free bus pass program has proved amazingly popular and we're committed to rolling out this service again, completely free.

"Sustainability is a principal value of both our Department and the University," says Director Clovis Acosta. "Free public transportation for UNM is one way that we can all show commitment to both University success and environmental sustainability. "PATS has worked long and hard to achieve this program" he continued "and its success and popularity has made us very pleased and very proud."

Getting the sticker is simple. Just take your ID card and verification to any of the venues listed (see right). Students, present a copy of your academic schedule; staff, a copy of your online UNM Directory - <http://directory.unm.edu>. Attach the ABQ Ride '10' sticker prominently to your ID card and you're entitled to ride any and every ABQ Ride/Rapid Ride bus (with the exception of certain special events, please refer to www.cabq.gov/transit for clarification) as often as you like for the entire year, absolutely free of charge.

Between PATS' free bus pass and the free campus shuttle service, you should seriously consider whether you actually need personal motorized transport at all. Even if you're not a regular bus user, get a sticker anyway. It's free and you never know, using it might just become a habit.
