

ACCESSIBLE PARKING AT UNM

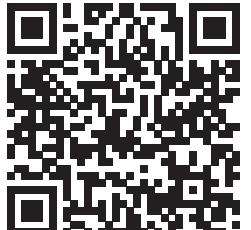

Under New Mexico ADA law, to legally park in designated accessible parking space the vehicle must display either a state-issued valid accessible parking placard in the front windshield or display a valid state-issue license plate bearing the International Symbol of Access (ISA) also known as the (International) Wheelchair Symbol. When your vehicle properly displays a current accessible placard or license plate that has been personally issued to you, or if you are transporting an individual who has been personally issued a current and valid accessible parking placard, you may park in any of the following:

- Any designated accessible parking space.
- Any regular zone parking space, not further restricted by other signage (e.g. Service Vehicle Only, Patient parking special permit required, Loading Zone, etc.).
- Any pay station space, at no charge (including in the Cornell and Yale parking structures.)
- The accessible parking placard must be displayed with the placard number and expiration date clearly visible through the front windshield.

For more information regarding ADA parking at UNM, call us at (505) 277-1938 send an email to parktran@unm.edu, see us at our Business office in-person, or visit goto.unm.edu/ada-parking.

ADA PLACARD REGISTRATION

Those that need access to the "R" zones after hours may need to submit their information using the form at goto.unm.edu/ada-parking or by scanning the QR code (left)

PARKING LIABILITY WAIVER

The University of New Mexico ("UNM") assumes no responsibility or liability for the care or protection of any vehicle or its contents while it is parked on university property and permit holder hereby releases UNM from any liability arising from fire, theft, damage to or loss of your vehicle or any vehicle left therein.

UNM reserves the right to block or otherwise restrict parking areas and roadways for maintenance, special events, or other functions deemed appropriate.

EQUITABLE ACCESS
ACROSS CAMPUS**

VETERANS ADA PARKING

New Mexico law does not recognize regular Disabled Veteran (DV) license plates as eligible to use in accessible parking spaces as the "DV" designation is determined by the Veterans Association (VA), not the state. To park in an accessible parking space on the UNM campuses, the vehicle used by the disabled veteran must display one of the following:

- A valid state-issued accessible license plate that includes the International Symbol of Access (ISA) – also known as the (International) Wheelchair Symbol – that has been personally issued by the state to the disabled veteran; or

- A valid state-issued accessible parking placard that has been personally issued to the disabled veteran (above).

Learn more about how to obtain an ADA license plate from the New Mexico Motor Vehicle Department (NMMVD).

AVOIDING CITATIONS

Accessible parking placard must be displayed with the placard number and expiration date clearly visible through the front windshield. Upon exiting your vehicle, especially when using a sunscreen, please verify that your ADA placard is properly positioned to where the placard identification number and placard expiration date are fully visible.

VAN ACCESSIBLE - "SAVE THIS SPACE"

Van-accessible ADA parking spaces provide extra room for wheelchair lifts and ramps. Even if you have an ADA placard, please save these wider spaces for drivers who rely on that additional space to safely enter and exit their vehicles. Van-accessible ADA parking spaces provide extra room for wheelchair lifts and ramps. Your consideration helps keep our campus accessible for everyone.

WHEELCHAIR ACCESS ONLY

These spots are dedicated parking spaces for wheelchair users and offer extra space for ramps, lifts, and mobility devices. If you don't need that additional room, please leave them open for someone who does. A little kindness helps everyone get where they're going safely. If it is determined that the user of these spaces did not require the active use of a wheelchair, the vehicle will be subject to enforcement action. Look for these spaces marked by the sign below:

**WHEELCHAIR
ACCESS ONLY**

ENFORCEMENT

Enforcement staff routinely patrol parking lots and structures to ensure compliance with UNM Parking Regulations and support customers in making informed parking choices. ADA spaces must remain available for vehicles with valid ADA permits or plates; unauthorized parking in these spaces prevents proper access for those who need them.

NEED ASSISTANCE?

Visit the Accessibility Resource Center (ARC) in Mesa Vista Hall, Building #56 Room 2021, East of the Student Union Building for accommodations.
